## Their First Appearance.

The Japanese theater, on the corner of Merchant and Richards streets, was packed to its utmost capacity last evening by an audience, which fully appreciated and applauded the wonderful acrobatic performances of the Takazawa family. All the members of the company showed their skill, and each performance was enthusiastically applauded. The bicycle riding on the slack wire was excellent. The H. A. A. C. may possibly in future adopt that sport instead of the road races. The same programme will be presented to-night and to-morrow. Next week there will be changes and new features added to the performance. Tickets are 50 cents, children half price. Mr. Thomas Evans is manager of the show.
